SCCA Pro Racing Announces Formation of Pro Spec Racer Ford and Formula Enterprises Series

TOPEKA, Kan. (Dec. 10, 2009)– SCCA Pro Racing has announced the formation of a five-event Pro Series for SCCA’s Spec Racer Ford and Formula Enterprises classes.

Recognizing the need to give drivers in the popular Spec Racer Ford and Formula Enterprises classes an affordable venue to compete at the professional level, SCCA Pro Racing has teamed up with SCCA Enterprises to create a five-event, 10-race Pro Series schedule for 2010.

“In the history of SCCA Pro Racing, some of the most successful series were born out of popular SCCA Club Racing classes,” SCCA Pro Racing President and CEO Robert Wildberger said. “The Spec Racer Ford and Formula Enterprises Pro Series are ideal support series for the SCCA Pro Racing Trans-Am Series and World Challenge Championships. We’re happy we can provide these racers with an opportunity to taste competition at the professional level.”

Four of the five race Spec Racer Ford Pro/Formula Enterprises Pro weekends were announced at the Performance Racing Industry Show, in Orlando, Fla., each of them double-race weekends. The season begins April 10 – 11 for the 25th Anniversary Spec Racer event at Road Atlanta. From there, both series head to New Jersey Motorsports Park, in Millville, N.J., May 8 – 9. A month later, June 5 – 6, the two series

travel to Miller Motorsports Park in Tooele, Utah. The season will conclude at VIRginia International Raceway in Alton, Va., where the two classes join World Challenge and Trans-Am, Sept 11 – 12.

“We’ve been looking forward to a renewed partnership with SCCA Pro Racing for some time,” SCCA Enterprises President Erik Skirmants said. “The original Pro Spec Racer Ford series produced some incredible racing and we’ll be expecting nothing less in 2010. Formula Enterprises is equally capable of putting on a fantastic show and we see the new Pro Series as the final step in the maturation of this class. We certainly are excited to provide our Club Racers top level competition and expect to welcome many new faces into the classes and see them learn, succeed and move on with strong skills developed running our spec racing products.”

The Spec Racer Ford is an enclosed-wheel, open cockpit, purpose built race car powered by a 1.9-liter Ford engine. Next year marks the 25th Anniversary of the original Spec Racer Ford. The Spec Racer Ford previously ran in a professional series from 1994 to 2002. The Formula Enterprises car is a single-design, open-wheel, fixed specification car powered by a 2.3-liter Mazda engine. Both cars are designed and produced by SCCA Enterprises and were created with the intention of providing fun and competitive racing at an affordable price. SCCA Enterprises has produced more than 1000 spec racing cars since 1983.

Both the Spec Racer Ford and Formula Enterprises Pro Series will use SCCA Club Racing technical regulations, which are available at www.scca.com/club.

November Indy Region Board Meeting Minutes By: Dick Powell

This is a synopsis of the minutes of the meeting of the Indy Region BOD November 9, 2009 at Dooley O'Tooles, 6:30 PM. There were 8 directors and 9 guests present. Minutes of the previous meeting were approved.

Old Business Lou Byer has reserved Primo's South for January 23 for our 2009 Awards Banquet. He will get together with Rich Lankford to get a deposit to Primo's.

Election report: No additional nominations have been received yet. Another call for nominations will be in the December Clutch Chatter.

Treasurers Report Rich emailed the report to everyone before the meeting. The Region assets for the year will be up from last year end. After minor discussion, the report was approved.

Clutch Chatter Pauletta expects to have a combined December/January issue, with a mailer to everyone for January with ballot and Banquet Notice. Deadline for next issue is December 1.

Website John is keeping the website current and attractive. He asks that anyone finding a discrepancy on the site to let him know for correction / adjustment.

Membership Pauletta reported current membership is 455. There are quite a few recently expired members that will be renewing when the season gets closer, as happens every year.

Activities The November Club Nite Out at GT Souths BBQ on Emerson was a great success, with 21 attending, and an excellent response from all. The December 1 CNO will be at Union Jacks in Speedway. We will not have a CNO in January, but will resume in February at a location TBD.

Rally The season went well, good entries for all the events, and will end the year in the green. Chuck is working on a schedule for next year.

Race Dave Dusterberg, Andy Welden, Rich Lankford, and Charles Lameron made a trip to Bluegrass Motorsports Park for a meeting with Mr. Kurt Niemeyer, with positive impressions and response. We have committed to our May Race weekend, and another summer weekend for 2010. We have commitments for Chief Starter and Registrar for our races.

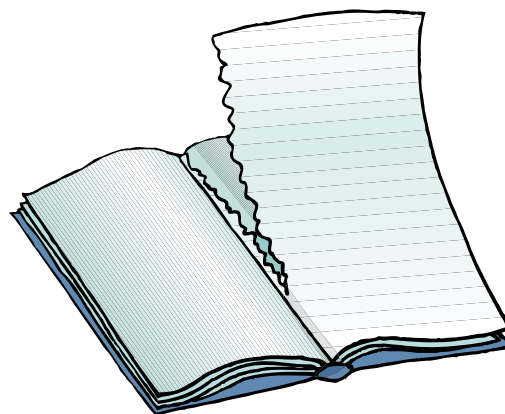

Andy, Dave, and Rich Kakoczi will be attending the GLDiv Roundtable for Race planning, and Velma will be attending for Solo planning. The Gingerman Drivers School discussed earlier in the year will not be included in the schedule.

Solo Scott Thomas has stepped up to be the Solo Chairperson for next year. All of the sites we had this year have re-confirmed for 2010, and the Solo schedule will be developed in the next couple months. Many of this years specialty Chiefs have agreed to continue for next year, Scott will work on filling the couple vacant spots.

Fort Wayne Region has approached us about organizing and running an event at the Ft. Wayne Coliseum lot. Scott and Geoff will continue in discussions with them.

Rallycross Program Bluegrass has set up a Rallycross course, and has invited us to organize an event there. We need to have some of the people who have expresses interest in Rallycross to step forward and lead the program.

New Business Next BOD meeting scheduled for December 14 at O'Tooles. Meeting was adjourned.

Where has the year gone? Seems like only yesterday that the rally season was over, and the new season is already upon us!

The Great Lakes Division is asking us to seriously consider presenting a rally in the 2010 Divisional Series, and the Champaign County group would like to do another joint event with us. Ides of March was well received by both Indianapolis and Champaign competitors last year, and is in territory that should be of interest to the GLD competitors. I am taking the initiative to get started on it for Saturday March 13, 2010. This is the last day of standard time, so it will

provide an opportunity to run a few legs after dark which will increase the appeal to the GLD folks and not distress the Champaign folks. I hope that it will not distress too many of our folks.

The Solo folks in Indy and Columbus have been aggressively working on their schedules. Below are the potential dates that are left for us, if we want to minimize potential conflicts with their dates. Please contact me if you are willing to take any of these dates.

Hello everyone! After a fantastic 2009 Solo season, the 2010 season is just around the corner! I just want to take this opportunity to formally introduce myself as many of you may not know me. My name is Scott Thomas and I'm the 2010 Solo chairman for Indy Region. I'm entering my second full year of both SCCA membership as well as Solo competition. I'm thrilled to be stepping up to help guide the 2010 season and hope to make it as good as, if not better than, last year.

We have a lot of planning underway for next season already. I have made a few tweaks to the schedule after gathering input from club members. I'm working on adding more test and tune sessions to our schedule as well as working on adding new sites to the mix. We're hoping to make 2 visits out to Terre Haute this year and

they have been very receptive to that. We are also attempting to add an event at the former Visteon plant location in Connersville.

The Connersville Chamber was also quite receptive to having us and we look forward to working out an event that fits both our schedule and theirs.

Stay tuned to the website as well as Clutch Chatter for more information on the upcoming Solo season! If you have site ideas, event ideas, or just a suggestion for something new or different, email me – cobra17st@sbcglobal.net. I'm all ears! I look forward to another great Solo season in 2010!

Scott

Involved Member Award

Pauletta Dusterberg

The purpose of the Involved Member Award is to recognize Indianapolis Region members who exhibit exceptional participation during the year. It is not a competition between members. In fact, the more award recipients the better. It is truly a celebration of dedication, support and commitment to Indy Region SCCA.

An Involved member award will be presented to each Indianapolis Region member, 16 years of age and older, who earns a minimum of 800 points in a calendar year by participating in at least two of the following four areas of participation: meetings and other club-sponsored special events, rally, race and solo.

An Involved member award will be presented to each Indianapolis Region junior member, under 16 years of age, who earns a minimum of 400 points in a calendar year by participating in at least two of the areas of participation.

The Involved member award will be an embroidered lightweight jacket or fleece. A member will be awarded a jacket only once in every 5 calendar years (example: a winner presented a jacket in 2003 is eligible again in 2008). Repeat awards within the 5 calendar years will be recognized by embroidering of the award year on the jacket.

Three Professional Race Weekends to Feature SCCA Pro Racing Lineup

TOPEKA, Kan. (Dec. 10, 2009) –Following the recent growth and expansion of SCCA Pro Racing, the sanctioning body announced today at the Performance Racing Industry show that it will stage at least three professional race weekends in 2010 headlined by and featuring a variety of SCCA Pro Racing properties.

SCCA Pro Racing currently sanctions, owns or operates eight professional road racing series across both closed and open-wheel categories, including the recently-announced Pro Spec Racer Ford and Pro Formula Enterprises Series. With such a vast array of products to work with, SCCA Pro Racing has taken the initiative to create its own, unique professional race weekends.

“SCCA Pro Racing is enjoying a period of tremendous growth right now,” SCCA Pro Racing President and CEO Robert Wildbergsaid. “We have a great advantage in the industry at the moment, to have such a diverse and entertaining mix of properties under our umbrella. We’ve been looking forward to reviving the all-SCCA Pro Racing weekend concept for a while now and all the pieces have finally come into place.”

The first all-SCCA Pro Racing weekend will take place May 8 – 9 at New Jersey Motorsports Park in Millville, N.J. The SCCA Pro Racing Trans-Am Series will headline the weekend, which will include the Volkswagen Jetta TDI Cup, plus the Spec Racer Ford and Formula Enterprises Pro Series.

Not too long after New Jersey, the show will travel west to Tooele, Utah, and Miller Motorsports Park. Trans-Am will headline the weekend once again, with the TDI Cup, SRF Pro and FE Pro Series completing the schedule.

The third event is set for Sept 11 – 12 at VIRginia International Raceway. The weekend, which marks the conclusion of the Trans-Am, SRF Pro and FE Pro seasons, will say goodbye to summer and kick-off the fall racing season in style. Trans-Am will co-headline with the World Challenge Championships. The SRF Pro Series, FE Pro Series and a Volkswagen Jetta TDI program will join the festivities.

“2010 is going to be a hallmark year for SCCA Pro Racing,” Wildberger stated. “Displaying a large portion of our series on the same weekend will paint a clearer picture of what SCCA Pro Racing is about and will lead to further expansion in the years to come.”

2010 All-SCCA Pro Racing Dates

See List Below.

Further information on the three SCCA Pro Racing events will be announced as they become available. The latest news, schedules and announcements are available at www.sccapro.com.
