Random blather....

I have some good news of a personal nature, I'm gainfully employed! One downside to the new job is that sometime in early 2011 I will be moved to the evening shift which means all of you out there don't have to worry about me running for R.E., I'm running for Activities Chair.

Once again to all our Club Racers, I'm sorry for the failure that was our 2010 Race Season. We took a big gamble and came up short. I blame myself..... and Andy. Well, actually, mostly Andy, but my therapist and I are working through that issue, so again sorry.

Speaking of Club Racing, we have a schedule for 2011. We have scheduled 2 weekends. The first event will be a one day Double Regional on ORP's oval on June 18th. The second date is tentative at this point but is set as a Double Regional on October 22-23 on ORP's road course which leads me to.....

NHRA has cleaned house over at ORP. While some of the faces we know and love are still there, there are a lot of new faces there including a new Track Manager and Marketing Manager. Kurt Johnson (not the Pro-Stock racer) is the new Track manager and Wes Collier is the new Marketing Manager. Kurt is wanting to get the road course back up and running. Andy and I have had met with them and I think we may be back to racing on ORP's road course soon.

Speaking of ORP, we have already had an event out there recently. Due to modifications Wishard Health Service and IUPUI have been making to Bush Stadium's parking lot, we've lost the ability to safely use that site. We were able to rent ORP's NHRA Pro Pits lot for the Worker's Invitational. Everyone had a great time and I hope that Solo will be able to hold many more events there in the future.

Cheers,

Dave

Minutes of the previous meeting were approved.

Old Business

Treasurers Report Rich Lankford emailed the report to everyone before the meeting. The report was approved. Board approved the suspension of Bryan Deane until he returns Region property including vehicle titles and R.E. archive material.

Clutch Chatter Clutch Chatter continues to look for a new editor. Pauletta Dusterberg continues to act as Clutch Chatter editor in the meantime.

Website John Wilmoth is doing a good job with more improvements to the Region's website.

Membership Dave Dusterberg reported for Pauletta current membership is 413.

Activities Dave Dusterberg reserved Primo South for the Annual Meeting. The date is January 22nd, 2011

Rally Chuck Hanson reported the September rally had seven participants and went well. The October rally had been sanctioned and was working on the November rally. Chuck also reported he was working on a schedule for the 2011 Rally season.

Race Dave Dusterberg and Andy Weldon discussed their meeting with the new Track Manager and Marketing Manager of O'Reilly Raceway Park concerning the possible revival of the road course. Dave read a letter from member William Campbell expressing his concern about some actions the Race Committee had taken.

Solo Group discussion about the loss of 16th St as a viable Solo site and ORP Management helping the program by renting the NHRA Pro Pits on short notice to be able to hold the Worker's Invitational. Lee Miller suggested that it is time that the Solo program take action to create sound regulations for competitors cars. Raleigh and Velma Boreen informed the group on the latest developments with the Formula Hybrid Solo to be held at IMS next May. Raleigh was contacted by Brock Yates Jr. of Car and Driver magazine asking if our Region would set up a Solo at Grissom for the One Lap of America competitors. Other members of the Solo Committee in attendance indicated that it would agree to accept the invitation. The Date is April 30th 2011. Raleigh reported that Connersville would like the Solo program to schedule it's Solo there for Father's Day weekend to coincide with other activities the town has planned for that weekend.

Rallycross Program Dave and Andy reported that during their conversation with ORP management there is interest in hosting Rallycross events at the track. The new Track manager, Kurt Johnson asked if we'd be interested in hosting a Snowcross at ORP.

New Business Raleigh Boreen has volunteered to head the Nomination / Election Committee. The following members have indicated they will run for the following Board positions:

Regional Executive- Andy Weldon

Activities Chair- Dave Dusterberg

Membership Chair- Pauletta Dusterberg

Next BOD meeting scheduled for November 11th, 2010

Meeting was adjourned.

Respectfully submitted, Dick Powell, Secretary

The purpose of the Involved Member Award is to recognize Indianapolis Region members who exhibit exceptional participation during the year. It is not a competition between members. In fact, the more award recipients the better. It is truly a celebration of dedication, support and commitment to Indy Region SCCA.

An Involved member award will be presented to each Indianapolis Region member, 16 years of age and older, who earns a minimum of 800 points in a calendar year by participating in at least two of the following four areas of participation: meetings and other club-sponsored special events, rally, race and solo.

An Involved member award will be presented to each Indianapolis Region junior member, under 16 years of age, who earns a minimum of 400 points in a calendar year by participating in at least two of the areas of participation.

The Involved member award will be an embroidered lightweight jacket or fleece. A member will be awarded a jacket only once in every 5 calendar years (example: a winner presented a jacket in 2003 is eligible again in 2008). Repeat awards within the 5 calendar years will be recognized by embroidering of the award year on the jacket.

Points are only awarded for Indy Region related events, Great Lakes Roundtable, and SCCA National Convention. There will be no combination of points for a single event; points from only one category may be scored per day. For example, a member who is a worker and a driver on the same day at the same event may only score points for one category or the other. Each member is solely responsible for tracking and reporting their points; no one else will do this for you. To be eligible for an award, the Indy Region member must fill out the attached form or a reasonable facsimile and mail or e-mail it to the Membership Chairman. The form can also be downloaded in Excel format from our website, making tabulation of points easier. All forms must be received no later than December 31st of the year in order to be eligible for an Involved Member Award for that year. Confirming receipt of submitted points is the sole responsibility of the entrant. A person's eligibility will be verified by the Membership Chairman. The IMA will be presented to the winning members at the Annual Awards Banquet for that year.

WOW! Thirteen cars showed up for the Half Moon Hollow rally on Oct. 30. And I think that everybody had fun, which is the entire objective of the program. For those who haven't run one of Ted's Halloween rallies, this is an "unformatted" event where you are presented with a map that has a number of locations marked, and an answer sheet with questions that can be answered at the proper locations. Sometimes there are more than one question at a location which introduces an element of strategy. You are free to plot your own course to get the maximum number of answers in the allotted time of three hours (with a penalty for late return). Since most of the locations are old cemeteries and it is after dark, the Halloween tie in becomes obvious. Add costumes for the tiebreakers and you have quite a party. Results are elsewhere, but it was a great recruiting opportunity with 14 weekend members and three minors who all had a great time.

There is one more event on the Indianapolis Region competition schedule for the 2010 season: the November Can Be Nasty or Nice Regional Road Rally on Sunday Nov. 28. This will be another in our series of "universal" rallies where

you may choose to run it as a Tour, GTA, or Course style event. It will count for national points in whichever series you choose to compete. Note that these are intended to be within the capabilities of beginning competitors including first timers. All concepts will be explained in the General Instructions which will be posted on the Indianapolis Region web-site by Nov. 16 so that you have time to study them.

The rally committee is starting to put together our competition schedule for the 2011 season and we are anticipating at least nine events on an approximately monthly sequence. We will be attempting to keep from conflicting with either the Indianapolis or Columbus Solo schedules so that more of you can compete. (Ted Drummond has won the Competitor of the Year Award for the third year in a row. Surely some of the rest of you have gazed enviously upon the gorgeous trophy that goes with the award. It's just like the lottery; If you don't compete, you can't win it. I am sure that Ted would really appreciate a little completion next season.)

Rally is one of the oldest forms of competitive activity in SCCA. It is the only one that is a team activity. Come out and give it a try. You may be surprised by how much fun it is. Solo runs last less than two minutes and races are typically about 30 minutes. A rally lasts three or more hours, and the wear and tear on your tires and vehicle are almost always less than either of the former.

Welcome New Members

By: Pauletta Dusterberg

We would like to welcome these new members to the
Indianapolis Region of the SCCA:

Nicholas & Megan		John	Danville	IN
Andrew	W	Kowalczyk	Bloomington	IN
Richard	C	Pare	Indianapolis	IN
Joshua	Warren	Miller	Greensburg	IN
Marcus	W	O'Sullivan	Greensburg	IN
Richard		Spearman	Indianapolis	IN

We look forward to seeing you at an Indy Region event in the near future.
As of the date of this newsletter we are 411 members strong.

November is upon us the weather is changing, the leaves are turning colors but for Indy Region SCCA, it means the end of the racing season, the end of the solo season and the final rally's for 2010 before the snow flies. More importantly November is the beginning for Indy Region; it is the beginning of the process to elect our officers to run the club's business side for the coming year. The process is a simple one, people get nominated or put their name in the hat in November. In December a ballot is available for all members to look at and evaluate and in January at the annual meeting/Awards banquet the voting is completed.

For 2011 I will be asking for help, we need to have someone, anyone or everyone step forward to help direct our club to a successful year. We have the opportunity to take a club that has successful programs and is in great shape to even higher levels. We need people to step up and say they want to help guide the success of the club.

What's involved?

- A once a month meeting, 1-2 hours long.
- One or two hours a month answering e-mails or phone calls.
- Desire to help the club and its programs grow.

The club needs eight (8) people to step forward to be the leaders in our club for 2011. The best way to have a strong club is to have a variety of former board members and new board members to run the club.

I would ask you to fill out the attached ballot nomination to let me know you are interested in being on the board or send me an e-mail to let me know you want to be a leader of the club in 2011. I look forward to hearing from you.

Clutch Chatter Mailing Opt In/OptOut

A complete, printable, electronic format copy of Clutch Chatter (including back issues) is available in Adobe pdf format for downloading on the Indy Region website at indyscca.org. Paper copies are only mailed to those who have sent the "Opt-In" form.

When an issue of Clutch Chatter is completed and ready for publication, the pdf file will be posted on the Indy Region website and a **special notice e-mail** will be sent to the Indy Region e-group with a link to the download page. This should be available several days before the mailed copies arrive, since it won't have to go through the printer or the mail.

New members of Indy Region will receive Clutch Chatter in the mail for two months, after which they are expected to view or download from the website. They will be able to elect to opt-in by filling out and mailing in the form below.

Non-members. Clutch Chatter is a valuable tool for recruiting new members into the region, and drawing participants to our events. Our plan is to add non-member competitors to the mailing list for two months. If they participate in another event during the two months, then they stay on the list for two more months.

If you **change your mind**, you can complete and mail in the form below.
