Greetings, first, let me introduce myself, I'm Andy Welden, new R.E. for Indy Region. My background is in Accounting and my Auto Racing background is I'm a Steward. Also, I'm one of Great Lakes Division's Deputy Exec. Stewards. (Yeah, I know, big deal).

This year our Solo program is going great and our Rally program is also doing quite well. Our racing program is doing, how do I put this, fair. We have one regional (actually it's a double Regional) at the recently renamed Lucas Oil Raceway at Indianapolis, formally Indianapolis Raceway Park. Keep your fingers crossed, folks, we're trying to get a few more races.

We've got a fine Board of Directors elected and we are all going to work very hard to keep things going well. In November, we're hosting the Great Lakes Division meeting.

So if you think things aren't going that well, call me at 317-297-5474 or send me a note at andywelden@sbcglobal.net or just come to the monthly Board meetings and tell us you'd like to be on this committee or that committee and we'll try to put you on it. You can also look inside the front page of the Clutch Chatter and probably see somebody you know or have at least met, call or e-mail them and tell them what committee you would like to be on.

Well, that's enough for February, talk to ya'll next month. Oh, yeah, there's one other thing, I'm from Georgia, if you have trouble understanding me.

Andy

Clutch Chatter Mailing Opt In/Opt Out

A complete, printable, electronic format copy of Clutch Chatter (including back issues) is available in Adobe pdf format for downloading on the Indy Region website at indyscca.org . Paper copies are only mailed to those who have sent the "Opt-In" form.

When an issue of Clutch Chatter is completed and ready for publication, the pdf file will be posted on the Indy Region website and a **special notice e-mail** will be sent to the Indy Region e-group with a link to the download page. This should be available several days before the mailed copies arrive, since it won't have to go through the printer or the mail.

New members of Indy Region will receive Clutch Chatter in the mail for two months, after which they are expected to view or download from the website. They will be able to elect to opt-in by filling out and mailing in the form below.

Non-members. Clutch Chatter is a valuable tool for recruiting new members into the region, and drawing participants to our events. Our plan is to add non-member competitors to the mailing list for two months. If they participate in another event during the two months, then they stay on the list for two more months.

If you **change your mind**, you can complete and mail in the form below.

This is a synopsis of the Minutes of the *Annual meeting* of the Indy Region for 2010, in conjunction with the Awards Banquet at Primo’s South, January 22, 2011. There were approximately 80 members and guests in attendance.

State of the Club Dave Dusterberg discussed the Club activities for the last year, and thanked the Program Chairs for a successful year. Rally and Solo had good years, but some large expenses (Bus and Display) pushed Solo into the red.

Treasurers Report Rich emailed the Year End report to the BOD before the meeting. Rich presented the report to the general membership, noting the club was about \$4800 behind last year, due to \$8400 of major expenditures.

New Business After the Awards Presentations, the Election Results were announced.

Annual Meeting was adjourned. Minutes of *BOD meeting* following Annual Meeting.

At-Large Directors The elected directors met to consider the At-Large Director positions. The Race Chair is one of the elected directors. The Rally Chair is Chuck Hanson, who agreed to serve as a Director. The Solo Chair Pauletta Dusterberg asked that we consider one of the many applicants we had to serve instead of her. Our new Clutch Chatter Editor, Josh Kikta, was attending, and also agreed to serve as a Director. Bylaws require 2 of the At-Large Directors be persons who were on the BOD the previous year; Geoff Chambers agreed to serve as a Director again.

For the 2 remaining At-Large Directors, the elected Directors selected Velma Boreen and Lee Miller. The entire BOD wishes to thank the other members who volunteered to serve if needed: Thanks to (in alphabetic order) Jack Banker, Steve Brinkerhoff, Clemens Burger, Dan Stone, and Phil Wehmen. Next BOD meeting scheduled for February 10 at O’Tooles.

An additional points event will be added by mid-February. The Hoosier Challenge on the Fort Wayne end will also be a points event for the Indy Region.

2010 was a reasonably good season for the rally program as measured by the number of events and members contributing to the program. We had eight events with eight members working on one or more of them. All will be contributing again in 2011 with a schedule of nine events. Ides of March is a “challenge” event with the Champaign County Sports Car Club in Champaign, IL. Those of you who run solos at Rantoul, IL have been exposed to these folks since they are the principal staff and many of the competitors. This is the third year for Ides, and CCSCC is attempting to put together an event where they will “challenge” Indy Region. Stay tuned for an announcement.

Last year the Rally Steering Committee decided that we should attempt to establish a regular schedule. We have attempted to accomplish that while fitting around the Race and Solo schedules. It isn't easy, as you will note.

2010 Indianapolis Region Awards Banquet

Saturday, January 22nd was our annual awards banquet, with a buffet dinner at Primo's South Banquet Center. A big thanks to the organizers who did a great job with the planning and preparation for the banquet.

Dave Dusterberg was the MC for the evening. This also being the annual meeting for the club, Dave started with the 2010 State of the Region Report, which was then followed by a Treasurers Report from Rich

Lankford. Dave, with assistance from Raleigh Boreen, presided over the drawings for door prizes throughout the evening. Dave would ask members of the crowd for a number, while Raleigh's counting skills were thoroughly tested by having to quickly find the corresponding attendee on the sheet.

Solo Awards

Dave and Pauletta Dusterberg presented the Solo awards to our cone-dodging members (see List on page 11). The Boreen Spirit of Solo award was given to a hatless (a very rare occurrence indeed) **Ben Newburn**.

The Jack Tovey Solo Competitor of the Year was awarded to **Geoff Chambers**. The award for Solo Rookie of the Year went to **Josh Kikta** for his efforts all year competing in STU.

Solo Site Appreciations awards were announced. Special thanks to **Indy Parks and Recreation, Terre Haute International Airport Authority and the City of Connersville**.

Chuck Hanson took over for the Rally Awards, presenting the 1st Place Trophy for Experienced class to **Susan Vogt**, 2nd place to **Wendy Harrison**, and 3rd place to **Ted Drummond**. National Rally Awards were announced, Sportsman Class-GTA- a tie for 1st place **Wendy Harrison** and **Susan Vogt**, 4th another tie with **Ted Drummond** and **Craig Beidelman**. In Sportsman-Course- a 5th place for **Wendy Harrison**. In Expert Class-GTA 1st place **Chuck Hanson**. Expert Class-Course 2nd place **Chuck Hanson**. Expert Class-Tour 5th place **Chuck Hanson**.

Race Awards

Our Race program awards were presented by Andy Welden and Dave Dusterberg, starting with our competitors at the National level. **Brad Hayes** and **John LaRue** were 5th in points for our region for FC, **Bobby Caldwell** was 4th for FC, **Jacek Mucha** was 3rd in points for FA, **Bill Partridge** finished 2nd place points for GTL, and **Ralph Porter** led the region in National Points for SSB.

In the Regional Series, 5th place went to **John Reiser** in FC, 4th place went to **Fred Edwards Jr.** in F500, 3rd place **Paul Holeman** in FM, and 2nd went to **Dave Schacht** in SRF. **Charles Smith** finished top in points for the region in CFF.

Our National level competitors who finished well in their classes in the Great Lakes Division National Championship Series were recognized and received their trophies from GLDiv. **Ralph Porter** was 1st in Division in SSB, **Jacek Mucha** 1st in FA, **Bill Partridge** 1st in GTL, and **Bobby Caldwell** was 1st in FC. Then the GLDiv Awards for the competitors who finished in the top 3 of their class in the regional championships: **Stephan Best** was 3rd in HP and **Charles Smith** was 1st in CFF

Each year the recipient of the Hergenrother Award is selected by all winners from previous years on the basis of attitude, sportsmanship, and competitiveness. This is truly a recognition of an outstanding racer by his peers. **Ralph Porter** was the winner this year.

Descriptions and Criteria for Indy Region Special Awards

Michael Buchanan Fairbanks Memorial Award Competitor of the Year

The first award the Indianapolis Region ever presented was the High Point Award, which went to the driver scoring the most points in all of the Indy Region's events. It was first presented in 1952 to Bob Magenheimer, driving a 1948 MG TC that is now owned by Indy Region member and National SCCA Club Historian Peter Hylton. Bob repeated the feat and won the award again in 1953. Then in 1954, Mrs. Joseph Daniels donated a large silver plate to the region as the Michael Buchanan Fairbanks Award. It was named after her son, who had died in a car crash while attending DePauw University. As a matter of interest, Michael happened to be the grandson of Charles W. Fairbanks, Vice President of the United States under Teddy Roosevelt from 1905 to 1909. The new Fairbanks Award replaced the High Point Award, and continued to be given to the top competitor across all forms of competition in the Indy Region. As the club evolved into having more and more events, this interpretation evolved such that the award was given to the top competitor who competed in all forms of competition. This is a subtle distinction, but an important one. Originally it did not matter what events you competed in, you scored points in any event you ran, and they counted toward the award. In the later interpretation, you HAD to compete in all forms of competition. This is the reason that in the seventies the Fairbanks Award was not always presented. Unless someone scored points in all three disciplines of Racing, Rally, and Solo, they were not eligible to win the award. In 1982, after the Fairbanks Award had sat in a closet for 4 of the 6 previous years, the Indy Region Board of Directors created a new Competitor of the Year Award, using essentially the rules we have today. However, a number of long time members objected to eliminating the Fairbanks Award, so the original plate was brought back, mounted on the base we have today, and the name of the award was officially changed to the Michael Buchanan Fairbanks Memorial Competitor of the Year Award.

**The Jack Hergenroether Memorial Trophy
A Perpetual Trophy Awarded Annually To The Outstanding Competition Driver
Indianapolis Region, SCCA
Dedicated 1965**

In 1956, Jack Hergenroether, a long time Indianapolis Region member and one of the people who helped get the region started, died in a motorcycle accident near Greenfield, Indiana. Indy Region member John McGee was instrumental in inaugurating the Jack Hergenroether Memorial Trophy, represented by a large silver bowl. It was to be presented to the top race driver in the Region on the basis of attitude, sportsmanship, competitiveness, and the manner in which the driver represented the Indianapolis Region. After the first couple of years of presentation, the selection of each year's winner was turned over to the past recipients of the trophy. The award carried a great deal of respect and as time passed the winners became a rather elite group. They placed the selection criteria very high with an emphasis on racing success, such that one had to almost win a National Championship just to be eligible to win the trophy. At the 1979 Indy Region Awards Banquet, the selection committee of previous winners announced that they did not feel anyone had performed well enough to earn the award that year, so they were not going to present it that year. Frankly, the membership was rather taken aback by the decision. The same scenario repeated again in 1980, and the Indy Region Board of Directors took matters into their own hands, reclaiming the Trophy and choosing Greg Graham as the 1981 recipient. The Board of Directors selected the winners over the next several years, but then again decided to turn the winners selection over to the past recipients of the Trophy, with instructions to put equal emphasis on all of the original criteria, not just on the ultimate competition success part.

The John McGee Memorial Award

Member of the Year

John McGee was one of the most respected members that Indianapolis Region and the Central Division of the Sports Car Club of America ever had. He served the Indy Region in nearly every capacity and he competed in all forms of club activities. But he was best known as one of the finest stewards that the SCCA race program ever saw. He served as Indy Region's senior steward for years, he was Chief Steward for the Indy National Race for as long as anyone could remember, he mentored numerous new stewards into the racing program, served Central Division as it's Executive Steward, and in 1983 received the Dave Morrell Award at the SCCA National Convention. For years the region had given out a Member of the Year Award to someone who had shown long-term commitment and dedication to the region. When John died, the Indianapolis Region Board of Directors renamed the award as the John McGee Memorial Award.

Indianapolis Region Awards Points Rules for 2011 — Race

RACING AWARDS

Purpose: To recognize the maximum number of Indianapolis Region of Record members by presenting year-end racing awards.

The awards and their criteria are as follows:

1. The Jack Hergenroether Memorial Trophy is the premier road racing award in Indianapolis Region. It shall be presented to the outstanding competition driver on the basis of attitude, sportsmanship, and competitiveness, and the manner in which the driver has represented the Indianapolis Region. The recipient is selected by a panel of the previous recipients of this award.

2. The Club Racing Rookie of the Year Award will be presented to the competitor accumulating the highest total points, awarded per GCR, for the best six finishes in regional and/or national events counting for Indianapolis Region points as defined in Rules 3 and 4 below. In the case of a tie, multiple awards will be presented to the winners. The competitor must:
 - a. have never previously held an SCCA racing license and
 - b. begin the season on a Novice Permit and meet National license requirements during the season.
 - c. Rules 6, 7, 8, 9 and 10 will apply.

3. Regional Racing trophies shall be awarded for the 1st through 5th places on the following basis:
 - a. Points will be accumulated per GCR for the best six regional event finishes of which no more than two may be outside of Great Lakes Division.
 - b. Rules 5, 6, 7, 8, 9, and 10 will apply.

4. National Racing trophies shall be awarded for the 1st through 5th places on the following bases:
 - a. Points will be accumulated per GCR for the best six national finishes in a single class, of which no more than two may be outside of Great Lakes Division. Finishes at the SCCA National Championship Runoffs will be considered an out of division finish.
 - b. Rules 5, 6, 7, 8, 9, and 10 will apply.

5. A driver will be eligible for only one National Racing and only one Regional Racing award, but may receive one at each level.

6. All activities covered under a unique sanction number shall be considered to be a single event.

7. If during the conduct of a single event multiple opportunities exist for a class to race, only one race will be permitted to count for points. If the format consists of preliminary races (e.g., qualifying race) followed by a feature race, only the feature race shall be counted. If the format consists of a special race for some classes (e.g., handicap, enduro) in addition to a normal race equal in length to that provided for all other classes, the race of normal length shall be counted. In the case that a class receives only one opportunity to race during an event, that race shall be counted, even if it is not of the same length as the races afforded to other classes.

8. The points standings will be published at mid-season and at the end of the year in Clutch Chatter.

9. It shall be the responsibility of each driver to supply the points keeper with results throughout the season.

10. Competitor must be an Indianapolis Region and SCCA member in good standing to be eligible.

11. All submissions from competitors must be received no later than December 1st of that year.

Indianapolis Region Awards Points Rules for 2011 – Solo

SOLO AWARDS

1. The Indy Region Solo Series will be known as “The indyscca.org Solo Series”. Class championship year-end awards will be presented as follows:

- a. Within each class defined in the current National Solo Rules, as well as any defined regional level classes as published in the SCCA SportsCar magazine or Indianapolis Region *Clutch Chatter*. Indianapolis Region regional level class rules and/or event supplemental regulations may be used to further clarify scoring issues.
- b. Class championship points will be awarded based on official results as follows:

FINISHING POSITION	POINTS
1	12
2	9
3	7
4	6
5	5
6	4
7	3
8	2
9 through last	1

Class championship trophies shall be awarded to eligible Indianapolis Region members using the following formula: Total number of SCCA member entries in the class for the season, divided by the number of points events in the season. Non-points events using normal classes will be included for the total number of entries in the season. This result (rounded up to the nearest whole number) is the average size of the class, and the number of class awards will be determined using the following distribution:

AVERAGE ENTRANTS	NUMBER OF AWARDS
1 to 3	1
4 to 6	2
7 to 9	3
10 to 12	4
13 or more	5

2. Year-end qualifications for Class Championships:

- a. Must be an Indianapolis Region member before the start of the final points event of the season. Anyone who joins before the start of the final points event of the season will receive points for events run during the season as a non-member. Proof of membership must be submitted to the Solo Chairman. Anyone who joins after the start of the final event of the season will receive points only for events run after joining. If the final event of the season should be cancelled, points will not be awarded to non-members unless proof of Indianapolis Region membership is presented to the Solo Chairman showing valid membership before the day of the cancelled final event. Proof of membership must be presented within two weeks after the scheduled date of the cancelled event.
- b. The member must compete in one given class in 50% of the region's Solo points events. (Round up for odd number of events.)
- c. The member's best finishes in 70% of the region's Solo points events will be counted. (Rounded up to the nearest whole number.) This allows for non-attendance at a certain number of points event without penalty.
- d. Ties for year-end points will be broken on the basis of quality of finishes in the members events used to decide year end points, i.e. most number of firsts, most number of seconds, etc. Any remaining ties for year-end class championship points will be broken by comparing the cumulative PAX scored finishes at the points events in which the tied competitors competed together, excluding Australian Pursuits or any other type of event in which PAX results cannot be obtained.

Indianapolis Region Awards Points Rules for 2011 – Solo Continued

Members must qualify their points by working at least one event as, or under the supervision of, a specialty chief. Qualified positions include: Safety Steward, Chief of Tech, Registration, Course Design, Chief of Workers, Course Set-Up, Course Tear-Down, or any other position so deemed by the Solo Chairman.

3. It will be the responsibility of the Solo Chairman and/or a designated representative to publish the class points standings toward year-end class points totals twice a year in Clutch Chatter and/or the region web site. The first posting will be after the fourth points event. The second posting will be after the last points event of the season, but before the Annual Meeting/Awards Banquet. Year-end awards will not be awarded unless the region conducts a minimum of 3 points events.
4. A Jack Tovey Solo Competitor of the Year Award (SCOTY) will be presented each year to the Solo competitor earning the most points during the season via PAX scored finishes at each Indianapolis Region points-scoring event. Only Indianapolis Region Solo points events will be SCOTY points-scoring events. Australian Pursuits and any other type of event in which PAX results cannot be obtained will not be SCOTY points-scoring events. For each points-scoring event:
 - a. The PAX times used to compute scores will include those of all drivers competing at the event in a recognized SCCA Solo class.
 - b. 100 points will be awarded to the individual(s) with the fastest/best PAX time.
 - c. Ten points will be awarded to the individual(s) with the slowest/worst PAX time.
 - d. Individuals who enter the event but do not receive a time shall receive 10 points unless they are disqualified from that event in which case they shall receive 0 points.
 - e. Individuals between those times will be granted points computed as follows: $\text{Points awarded} = 100 - (150 * (\text{competitor's time} - \text{Top PAX time}) / \text{Top PAX time})$
 - f. The points for each competitor's worst points-scoring event during the season will be dropped. If the competitor missed one or more events, this could be a score of zero. This allows for non-attendance at a single points event during the season without imposing a penalty.
 - g. In the event of a tie, event-by-event PAX finishes shall be compared. The competitor with the most first place finishes shall be judged the winner, or if both have the same number of first place finishes, then the most second place finishes, etc. In the event that all finishes have been compared and competitors are still tied, the PAX times of the tied competitors, counting only events where all tied individuals competed shall be added. The competitor with the lowest total time shall receive the award.
 - h. To be eligible for the SCOTY award, the competitor must meet all criteria per Solo Awards rules 2a and 2e above.
 - i. The SCOTY points standings will be published via either Clutch Chatter or the region web site at least once during the season before the final points-scoring event.
5. A Solo Rookie of The Year (SROTY) Award will be presented each year to the novice (first year) Solo competitor earning the most points during the season via PAX scored at each Indianapolis Region points-scoring event. Only Indianapolis Region Solo points events will be SROTY points-scoring events. Australian Pursuits and any other type of event in which PAX results cannot be obtained will not be SROTY points-scoring events. For each points scoring event:
 - a. The PAX times used to compute scores will include those of all novice drivers competing at the event in a recognized SCCA Solo class.
 - b. 100 points will be awarded to the individual(s) with the fastest/best PAX time.
 - c. 10 points will be awarded to the individual(s) with the slowest/worst PAX time.
 - d. Individuals who enter the event but do not receive a time shall receive 10 points unless they are disqualified from that event in which case they shall receive 0 points.
 - e. Individuals between those times will be granted points computed as follows: $100 - (150 * (\text{competitor's time} - \text{Top PAX time}) / \text{Top PAX time})$

Indianapolis Region Awards Points Rules for 2011 – Solo Continued

- f. Individuals competing for the SROTY will be scored on their 4 best points awarding Indianapolis Region Solo II events within the individuals first season of competition.
 - g. In the event of a tie, event-by-event PAX finishes shall be compared. The competitor with the most first place finishes shall be judged the winner, or if both have the same number of first place finishes, then the most second place finishes, etc. In the event that all finishes have been compared and competitors are still tied, the PAX times of the tied competitors, counting only events where all tied individuals competed shall be added. The competitor with the lowest total time shall receive the award.
 - h. To be eligible for the SROTY, the competitor may have competed in no more than 2 Solo / autocross events prior to entering SROTY in addition to meeting all criteria per Solo Awards Rules 2a and 2e.
 - i. The SROTY points standings will be published via either Clutch Chatter or the region web site at least once during the season before the final points scoring event.
6. X-Class. This is the Indianapolis Regions “Pro” class. X-class competitors are typically more experienced Solo competitors and will compete directly with each other at events, and are the mentor class to Novice competitors. Only Indianapolis Region Solo points events will be X-Class points-scoring events. Australian Pursuits and any other type of event in which PAX results cannot be obtained will not be X-Class points-scoring events.
- a. At the start of the season, competitors will decide if they will run in the traditional classes or X. To make this a sustainable class for all X competitors, this will be a season-long commitment. If staying in the traditional class, nothing changes for the competitor. For X participants, scoring will change significantly.
 - b. X competitors will move from their open classes to new classes in the timing and scoring system. People normally competing in AS will now be ASX, BSP will be BSPX, etc. They will no longer be scored with the normal open classes (AS, BS, etc.). (Cars will be marked as such with a visible X after their normal numbers)
 - c. X class runs in the same heat with their open class. This allows the X competitors to be more readily available to Novice competitors.
 - d. X competitors are expected to take a less experienced rider on at least one run during an event. If for some reason this is not possible, then they should ride along with someone. It will be up to people wanting a ride to approach them. (This will be emphasized at the drivers meeting and they will be visible by the X on the cars)
 - e. X Class will be scored in their own class and event trophies will be determined as a normal class, with the exception of the first place trophy which will be the traveling trophy.
 - f. X will have normal year-end class trophies like open classes. Participants are also eligible for the Tovey Cup (Solo Competitor of the Year).
 - h. X will be open to anyone that wants to run there, however Rookies are encouraged to run with their open classes their first season.

All Solo competitors are encouraged to give people rides and mentor less experienced people.

7. A year-end Boreen Spirit of Solo Award will be presented to the individual that did not win a year-end class award, but showed the most enthusiasm, helpfulness, and spirit, and exemplifies what all Solo competitors should be like. This award will be chosen by the Solo Chair(s) after the finals points event of the season, but before the Annual Meeting/Awards Banquet.

 2. Class "N": Same as Group I - Class "N"
3. Member's Qualified Points: A determination of a member's qualified points for a year-end championship award will be accomplished or effected by the following:
 - a. A member's best finishes in 75% of the region's declared points events or best 6 finishes, whichever is less, will be counted toward a year-end championship award. Note! - A 75% multiplication factor resulting in a .5 event will be rounded up. Example: 6 events x 75% = 4.5 = 5 events to be counted toward an award. Otherwise, events will round to nearest whole number. The above will be done on a basis of:
 1. For rallies with more than one class other than Novice, points will be awarded for class position per the points schedule.
 2. For rallies with one class other than Novice, points will be awarded per the points schedule, with the points to be counted in the class giving the competitor the greatest advantage.
 3. For a rally of chance (such as Poker Run, Yahtzee Rally, etc.), all competitors who finish will be awarded second place points regardless of finishing position.
 - b. Points will be counted only for Indianapolis Region members. Anyone who joins on or before September 1st in a given year will receive points for those events run as a non-member. Anyone who joins after September 1st in a given year will receive points only for events run after joining the Indianapolis Region.
 - c. The member must compete in one given class in a minimum of three (3) or 50% of the region's rally points events, whichever is less. (Round up for odd number of events).
- d. Both the driver and the navigator will receive the same number of points.

The Rally Chairman will be responsible for keeping a record of those people who have fulfilled the work requirement towards year-end point eligibility.
- f. Members staging or writing a rally; i.e., being a rallymaster, will earn 12 points in the class in which they compete during the majority of the season.
- g. For rallies with only Experienced and Novice classes, competitors must inform the Rally Chair at that rally which class they want to apply their points for year end total. In rallies with all classes, a person can only get points for the class they compete in for that rally.

INVOLVED MEMBER AWARD

The purpose of the Involved Member Award is to recognize Indianapolis Region members who exhibit exceptional participation during the year. It is not a competition between members. In fact, the more award recipients the better. It is truly a celebration of dedication, support and commitment to Indy Region SCCA.

An Involved member award will be presented to each Indianapolis Region member, 16 years of age and older, who earns a minimum of 800 points in a calendar year by participating in at least two of the following four areas of participation: meetings and other club-sponsored special events, rally, race and solo.

An Involved member award will be presented to each Indianapolis Region junior member, under 16 years of age, who earns a minimum of 400 points in a calendar year by participating in at least two of the areas of participation.

The Involved member award will be an embroidered lightweight jacket or fleece. A member will be awarded a jacket only once in every 5 calendar years (example: a winner presented a jacket in 2007 is eligible again in 2012). Repeat awards within the 5 calendar years will be recognized by embroidering of the award year on the jacket.

Points are only awarded for Indy Region related events, except for Great Lakes Roundtable and SCCA National Convention. There will be no combination of points for a single event; points from only one category may be scored per day. For example, a member who is a worker and a driver on the same day at the same event may only score points for one category or the other. Each member is solely responsible for tracking and reporting their points; no one else will do this for you. To be eligible for an award, the Indy Region member must fill out the attached form or a reasonable facsimile and mail or e-mail it to the Membership Chairman. The form can also be downloaded in Excel format from our website, making tabulation of points easier. All forms must be received no later than December 31st of the year in order to be eligible for an Involved Member Award for that year. Confirming receipt of submitted points is the sole responsibility of the entrant. A person's eligibility will be verified by the Membership Chairman. The IMA will be presented to the winning members at the Annual Awards Banquet for that year.
