3. The track property must be cleared of all vehicles by 7:00 pm on Sunday.
4. Sale of products on track property is prohibited without prior written permission. Arrangements must be made prior to Sept 25, 2007. Contact Pete Hylton at 317-852-5923, (hylton@surf-ici.com).
5. Operation of two-way radios on the following frequencies, except by Race and Track Officials, is prohibited: 151.625MHz, 154.600MHz, 462.575MHz, 462.625MHz, 462.675MHz, 464.325MHz, 464.500MHz, 464.550MHz
6. THE CONSUMPTION OF ALCOHOLIC BEVERAGES ON TRACK PROPERTY IS PROHIBITED UNTIL AFTER THE LAST CHECKERED FLAG OF THE DAY.
7. Indianapolis Region will not be responsible for property brought to the event. Please be sure to secure your belongings.
8. No driving on the course prior to the start, during lunch, or after the close of activities without permission of the Chief Steward.
9. The track phone number for emergencies only is 317-387-7355.
10. Membership or License verification calls may be arranged with the Registrar and must be requested by 10:00 pm, Sept 25, 2007, and will incur a \$5 charge.
11. Cancellation of Entries must be received no later than 10:00 pm, Sept 27, 2007 to avoid the late cancellation fee of \$50. No refunds will be issued at the track. A competitor who enters the course is never eligible for a refund.
12. Please help support our Workers by voluntarily donating to the worker lunch fund (\$10 suggested).
13. NSF checks are assessed a \$50 charge.
14. To ease congestion at Registration on Saturday morning, all competitors are urged to mail entries early and to register on Friday night

REGIONAL RACE

1. This is a Great Lakes Division Regional Championship Series event. Series rules and rules for series classes are available on the Great Lakes Web site at www.greatlakes-scca.org.
2. The Regional Races are open to all drivers who currently hold valid SCCA Regional, SCCA National, and Novice Permit holders who have completed all school requirements. CASC National, ICSCC, FIA (issued by any sanctioning body), Midwestern Council, IMSA, SCCA-Pro, PCA, and Waterford Hills-Senior license holders are also eligible for the Regional Races. All drivers must be SCCA members. Proof of Membership, must be presented at Registration. Confirmation from the Club Racing Licensing or Membership Departments will be required for those whose license or membership is pending and is the responsibility of the Entrant.
3. Eligible cars are those listed in the GCR as standard regional classes, plus optional class SP and classes per the 2007 Great Lakes Division Regional Championship Series rules (CFF, CFC, FST, ITE, SP and SPU) plus Baby Grand. All BG cars will be subject to compliance with modified rules per BGSCA. Due to their length, rules are available from the Baby Grand website, [www.MMRAracing.com/Forms/2005 Road Racing Rulebook.pdf](http://www.MMRAracing.com/Forms/2005%20Road%20Racing%20Rulebook.pdf)
4. Sound Control will be in effect and readings will be available at the Tower. Penalties will be enforced for readings over **103db**. The Sound Control station will be located driver's left near Turn 8.
5. The Chief Steward or Operating Stewards may receive protests.
6. Trophies may be picked up at Driver Information after the race results are official. No trophies will be mailed.
7. Transponders are required for this event.
8. The entry fee of \$265 (see chart for full explanation of charges) includes credentials for the driver and three (3) crew members. Additional crew passes may be purchased for \$5 each. Entries postmarked after Sept 22, 2007 must include a \$25 late entry fee. Postage meter dates do not constitute documentation of postmark date. Registrar is Pete Hylton, 7591 N SR 267, Brownsburg, IN 46112, email petehylton@surf-ici.com
9. Great Lakes Division National reserved numbers will be held for up to seven days prior to the event and then will be given on a first-come, first-served (postmark) basis. No confirmations will be sent. Phone calls/messages will be made for entries that do not get their first choice of number.
10. Every car must have a working AMB TranX260 transponder.

PIT, GRID, and PADDOCK

1. Credentials must be displayed at all times. All individuals inside the racing facility must have proper credentials.
2. The hot pits are defined as the area between the pit guardrail and the track guardrail, including the area where cars stop when coming off the course and the area from which signaling is done.
3. Only members of the SCCA (registered drivers and crew) will be permitted in the grid or hot pits. Full or Temporary memberships may be purchased at Registration.
4. No one under the age of 16 is allowed in the Hot Pit. It is mandatory that shirts, long pants, and closed toe shoes be worn in the hot pit areas.
5. You must be a licensed driver to operate two, three, or four wheeled vehicles in the paddock. NO SKATES, SKATEBOARDS, ROLLER BLADES, OR IN-LINE SKATES are allowed. The speed limit for all vehicles (including competition vehicles) in the paddock and pits is 10 mph.
6. Entrants and drivers are responsible for any damage to the pit and paddock area, such as improper disposal of used lubricants, asphalt damage during canopy installation, jack stand indentation, etc.
7. While work is performed underneath a jacked-up car, jack stands must be used with appropriate base protection to avoid sinking into the ground.
8. No parking or working on race cars will be permitted on paved paddock areas without specific permission of the Race Chairman.
9. Pets are prohibited on any paved surface, but are permitted in the paddock, provided they are on a leash no longer than 10 feet and handled by an adult, or in a closed vehicle.
10. A minimum of five (5) practice/qualifying laps are required in order to grid for the Regional Race unless waived by the Chief Steward (driver's responsibility).
11. The grid for races will be closed at the one minute signal. Cars not in their assigned spots will start at the back of the field. At the 1 minute signal all crew must leave the grid.
12. Race grid sheets and results will be posted on the north end of the concession stand (weather permitting). Copies of final race results will be available at Driver Information (first floor of the tower).
13. Water will be available and gas will be sold at the track. Air will be available from the tire vendors during their hours of operation.
14. NO SMOKING OR REFUELING IN THE PITS OR GRID.

TECH INSPECTION AND IMPOUND

1. The top three (3) race finishers in each class must proceed at the completion of the cool off lap, through the pit lane to the impound area, and remain until released by an official. Competitors released from the scales are not necessarily released from impound. Driver or crew MUST remain with the car until released from impound. A maximum of 2 people including the driver will be allowed in impound. Drivers are reminded that it is their responsibility to appear at impound without detours or prompting by officials.
2. Scales will be available from 8:00 am to 11:00 am on Saturday and Sunday except when needed by officials.
3. Regional Race Tech Inspection will be done in accordance with GCR 11.1.1. Driver safety gear will also be checked for compliance with GCR 17.23. Annual Tech will be available at the discretion of the Chief Scrutineer.

4. Race entries should make every effort to get your Annual Tech done prior to this event. To arrange an appointment, contact Jay Quinn 317-248-9626.

5. No classes will have the Annual Tech Inspection waived for this event.

6. Impound may test fuel. There will be a \$5.00 fee for voluntary fuel testing.

RULES OF THE COURSE

1. Cars receiving the black flag or mechanical black flag at start/finish, stations 5 or 5A must enter the pit lane on that lap and proceed to the Black Flag Station near the exit of pit lane.
2. All Regional Race Novice Permit holders must prominently display a clearly visible "X" the same size as their number on the side of their car next to their number.
3. Car numbers must conform to applicable GCR standards.
4. All races will be 15 laps. Races may be shortened due to inclement weather and/or at the discretion of the Stewards of the Meeting.
5. Cars may enter and depart the paddock during non-race sessions. Race cars re-entering the track from the paddock during qualifying will forfeit all qualifying times prior to re-entry. Any car entering the paddock during the race will be considered retired.
6. Race victory Laps are encouraged and will be permitted as time permits.

SPECIAL FEATURE EVENT

1. On Saturday there will be a Special Feature Event - The Headless Horseman Handicap Race. This event will be open to all closed wheel classes (including SRF). Cars will be handicapped based on their speed potential, such that slow cars start first, faster cars start at subsequent times based on their potential, and all cars should theoretically finish at the same time. First car to complete 10 laps wins.
2. To enter, sign up at Driver Info. Entry fee will be \$20, ALL of which will go into the purse, along with additional funds to be determined by the Race Chairmen. Minimum purse will be \$500. Limited to first 24 cars entered.
3. Purse Distribution: 35% to First Place, 25% to Second place, 15% to Third Place, 25% as the Drive of the Race Award (winner to be determined by the Race Chairmen and Operating Stewards). Payout will be in cash after the event. Top three finishers will also receive Champaign and podium photo session.
4. Starting positions will be determined by the Chief Handicapper based on times turned during Saturday qualifying and races, class records, secret incantation, and black magic. (warning: eye of newt and toe of frog may be used)
5. Cars will be gridded in single file order in the pit lane with the first starter at pit exit. Cars will start from the pit exit station (standing start) upon signal from the Chief Handicapper) As each car leaves the pits, subsequent cars must roll forward to the pit exit but may not proceed until signaled by the Chief Handicapper.
6. Any car entering the pit lane from the track is automatically a DNF and must stop at the head of the pit lane so as not to interfere with remaining cars.
7. Starting times as determined by the Chief Handicapper are not protestable. The Chief Steward has final say in all matters regarding the conduct of this event and may alter the regulations for this race only, as necessary at the time of the event.
