

The Hoosier Racing Tire Formula First Championship

Organized by the Formula First Drivers Association FFDA

Dear Member:

I am pleased to inform you that our search for a primary sponsor has successfully ended with the signing of our tire supplier Hoosier as the sponsor. Their contribution is two fold: First they are extending a substantial discount on the mandated R60A tires we use to all Formula First Drivers Association members.

Formula First member can purchase these tires at the following prices:

43130 20.0x6.0-13 R60A, \$125.00 ea.

43307 22.5x7.2-13 R60A, \$150.00 ea. Total: \$550.00 per set. (A \$158 discount)

The Association will send our member list to Hoosier tire to verify your eligibility. See membership information at www.formula-first.org.

The second contribution is in the form of a contingency

The 1st and 2nd place finishers as certified by the association and by the chief steward get one tire each A third tire is awarded by a random drawing of all official SCCA finishers. To be clear first and second are awarded by points earned toward the championship in that round. A total of six tires are awarded at each race.

At the end of the season a “hard luck driver” is awarded a complete set of tires. The hard luck driver is one who has entered the most races but has scored the fewest point. In the event of a tie the award is split.

To enter a driver-

Be a FFDA member effective before the event begins.

Must have paid a twenty five dollar FFDA membership fee.

Must enroll with Hoosier at their web site.

Must run Hoosier stickers on both sides of the car and have a Hoosier suit patch

In the event of a rain race the rain tires must be Hoosiers to score points

Top three finishers must report to the award stand after the race.

To get the contingency the official Hoosier form needs to be signed off by the SOM and by the President of the FFDA or his designated representative.
