# RE

by Chris Brake

The last month has been another good month for the club. A good, positive vibe seems to be all around the club, and let's hope it sticks. As an extra bonus, we have also been asked to take on a champ tour at Grissom after the lot in Toledo has been taken over by Chrysler. Thank you to everyone making it happen on super short notice. If you would like to help with it, please let us know!!

This month we will also be having a fun rally that will finish at an Indianapolis Indians baseball game. Load up the family truckster, have some fun, the hang out

with the club at the baseball game. Should be a fantastic way to spend a day! Hope to see a great turnout!

Until next month, hope to see you at an event!

## Rally

By Wendy Harrison

Road rallying??? Why? Well, lots of reasons!!!

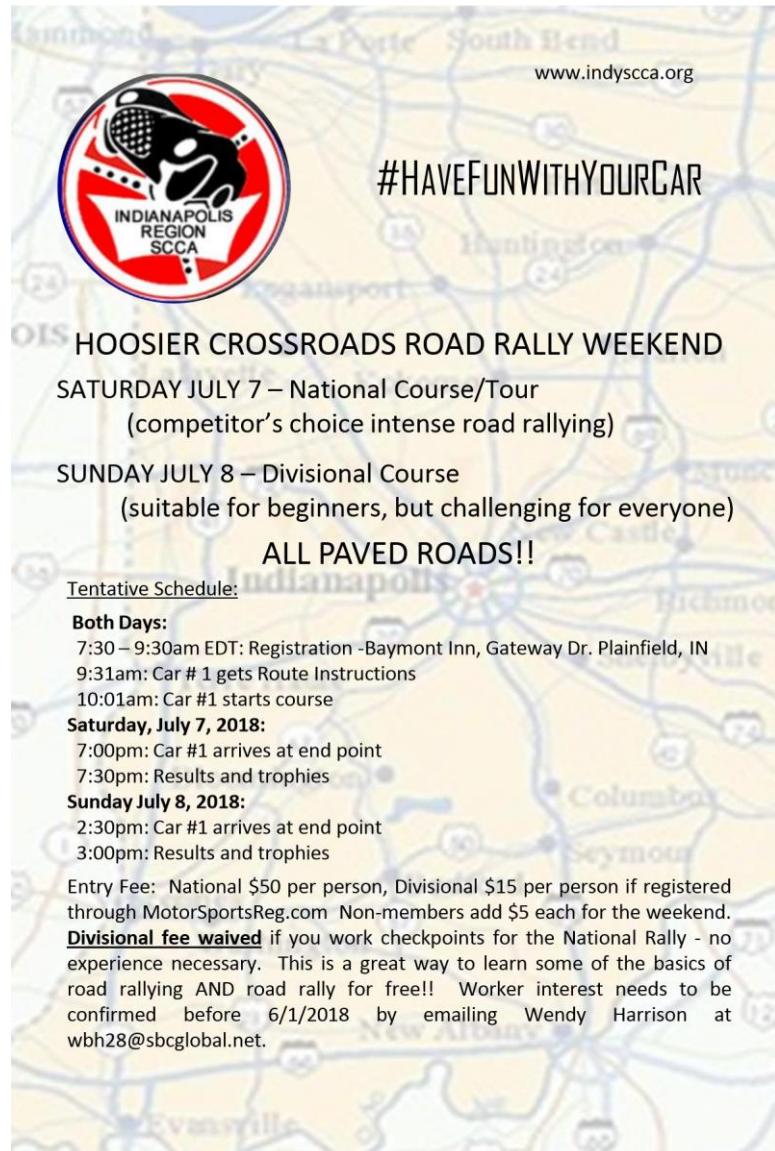

Two of the main reasons are it's just about the cheapest form of motorsports to compete in AND there's a social aspect to it that can include your family, so no one has to be left out. With this introduction, let's look at two opportunities to hit the roads, spend time with friends, and, maybe save some money in June and July.

JUNE: The Superhero Rally to the ballpark. There's a flyer in this issue of clutch chatter which gives some details about times, meeting place, and logistics. The rally is on June 23 and the entry fee includes two

tickets to that night's Indians game at Victory Field. It's about a 45-minute drive from the starting point at Eagle Creek to the end. The end is 5 minutes from the ballpark. We've timed it so that you have a sporting chance to be one of the first 2,500 fans into the ballpark to get your FREE Antman bobblehead. Our club will picnic on the lawn, so be sure to pack a cooler with your dinner and/or snacks for the evening. The rally is fun and no one will get lost although you might see some things you haven't seen in Indianapolis before. This is a time to have fun, kick back, and relax with your SCCA friends. Also, lawn tickets are \$11 each and the entry fee to the rally is \$20/car – how does that math work?

JULY: We are hosting a National Road Rally on July 7 and need lots of help. If you've never worked rally checkpoints before, it's a blast! You see, you must get to your next checkpoint before the rally cars get there. That means you get to travel on back roads, take short cuts, and, in general, just be awesome, so that you're cool as a cucumber and can give the lead rally car that "what took you so long" look when it rolls through your checkpoint. We work in pairs or triplets, so you aren't alone. Inexperienced workers will be paired with more experienced, so no worries about having to know the ropes beforehand. If you decide you'd like to run a rally yourself, anybody who works the rally on July 7, will get a free entry to the July 8 rally. Please contact Ted Drummond or Wendy Harrison if you can help. We'd really appreciate all the help we can get. The deadline for contacting us about working the rally has been extended to 6/15 (instead of 6/1).

See you down the road,  
Wendy Harrison

7:30pm: Results and trophies

**Sunday July 8, 2018:**

Entry Fee: National \$50 per person, Divisional \$15 per person if registered through MotorSportsReg.com Non-members add \$5 each for the weekend.  
Divisional fee waived if you work checkpoints for the National Rally - no experience necessary. This is a great way to learn some of the basics of road rallying AND road rally for free!! Worker interest needs to be confirmed before 6/1/2018 by emailing Wendy Harrison at wbh28@sbcglobal.net.

# Activities

by Vinnie Taibi

Hey everyone!

It's been an eventful winter, some good and some not so good, but I finally got a replacement laptop. I will announce the full Winter Karting League results. I have recently started a new job with better hours that will allow me to have a better life/work balance and I can be as involved with the club as much as I

was in the past. It will feel good to not be half asleep at events. I recently sold my CRX in favor of a new project, but that will not be ready until the end of the year. If anyone would like to have a co-driver at any events this year, let me know. Back to the Winter Karting League: it wrapped up in March and our 5 trophy winners were announced! The final year end results are posted below! Our top 5 were Wes Malusek, Vinnie Taibi, Lauren Streeter, Clemens Berger, and Will Lahee snagged the final spot. The 3<sup>rd</sup> through 5<sup>th</sup> spots were up for grabs

until the very last heat. It was a hard-fought season and I can't wait to do it again next year. We also had a couple of other awards for the year. It goes without saying that Lauren Streeter was the Fastest Female Driver. Tyler Titus locked up the Most Improved Driver award with some very competitive times in the last 2 events. Thanks to everyone who competed, and we hope to see some new faces next year. If anyone has any ideas for activities that they would like to see, please let me know.

# Membership

By Matt Adams

Membership had a fantastic May! Added 38 new members through the combined effort of a lot of people and a general positive response to the programs kicking off. This offset losing the rest of the Greenpower "first gear" memberships from the event last May which brings the total to 533 current members. The Involved member award documentation current revision is available on the website which added updated/added two categories of ways to earn points regarding participation in Track Events and Rally Cross. Just a reminder to keep tallying up points for region events supported/participated in for end of year recognition!

## Secretary

Joel Harleman

### May 2018 Indy SCCA BOD Meeting Minutes

Attendee's – Joel Harleman, Dick Powell, Maggie Vang, Daniel Vang, Chris Brake, Stefanie Brake, Matt Adams, Bruce Faucett, Colin Faucett, Vinnie Taibi, Lee Miller, Jim DaPuzzo, Steve Brown, Carol Burger

Approval of April Minutes – Motioned by Bruce and seconded by Matt. Motion approved. Daniel is looking into an electronic file cabinet for storing the club's documents.

Old Business – Bruce continues to search for a different meeting site for the monthly board meetings. Dawsons in Speedway and City BBQ downtown are possible. Mallow Run has verified our date for the 2019 Annual Meeting on January 26<sup>th</sup>.

Website Report – Via e-mail. Nothing really to report. Everything going well and up to date with all changes sent to me. If there is anything else missing, incorrect, or bad links, please let me know. I always appreciate the extra eyes! Thanks jww

Clutch Chatter – Thanks for those that sent articles! Radio station Z92.5 Indy/Kokomo has decided to give us a commercial spot in middle of the afternoon called "Coca-Cola call to the community." This is free to us and hoping to get a segment done for the July 4<sup>th</sup> weekend charity event. They will be coming out to the event and hope to get them in a car.

Membership – 546 members with 15 new. We will see some loss due to the Green Power members from last year not renewing. Amended rules for Involved Member award with correction to the front page and addition of RallyCross points. Motioned by Matt approved. Posted on the website.

Treasurer – Been gaining money for the last couple of months. Solo, Track Events, and Rally are starting to spend their budgeted money. A CD came due in March and is sitting as cash in the investment account. There is money to deposit and other accounts to transfer over. Some invoices are still to go out. Overall the administration account is underspent for the year so far so it is doing well. Taxes are being done. No large capital expenditures in the short term. Still have SCCA Grant money and Michael has the plan for that. The Entity Report for the state gets done by Dick Powell. It was on a yearly schedule and now is every two years.

Activities – Wrapped up Karting League wrapped up in March and will be purchasing trophies soon. Looking for new activities, possibly a dyno day at Stage One Tuning the day before the Speedrome event. Could do awards for highs HP for FWD, RWD, AWD, and lowest overall?

Social Media – Started running face book ads for the Track Event and also for the first solo event. Seemed to get a lot of new walk-up's at that event which would appear to be having an impact on getting new people to show up.

Solo – DragCross had 48 entries and the Fun Event 42 with around half being walk-up's. Everyone had a good time despite the weekend being cold. Novice school had 22 students and got around 30 runs. 9 new members due to the school! Will did a great job with the school. First points event was the next day with 123 competitors. Need to review better corner working and starter tasks in the drivers meeting. Test in tune in May along with hosting the

Midwest Muscle Car Challenge on the same weekend. Fairgrounds event is on June 10<sup>th</sup>. Subaru Challenge is possibly not going on this year.

Champ Tour – Toledo Champ Tour site is not available so we are hosting the Champ Tour at Grissom June 15-17. 200 are already preregistered with a cap at around 250. Problem with that many entries becomes paddock space. Most of the Chief positions have been filled but still looking for impound, tech, and sound. We don't have to provide a Saturday dinner, but do need to do a welcome party on Friday. Meeting on May 16<sup>th</sup> for Champ Tour and CAM Challenge planning meeting.

#### Rally – No Report

Track Events – The turnout for the first Track Event was good considering the forecast in the days leading up to the event.

New Business – Discussion about the Indy SCCA Social Sim League which has never been officially sanctioned by the BOD. Concern for using the Indy SCCA name in a non-official program that is not under the control of or has been sanctioned by the Board.

Motion to adjourn by Bruce and seconded by Joel was approved.

Respectfully Submitted,  
Joel Harleman

Indy SCCA Secretary

### Autocrossers!!

Want to up your game??  
 Want to run against new people?  
 Want to have a great time??  
 Want to be crowned Divisional Champion??

The 2017 Great Lakes Division Solo Series could be for you!!

The Great Lakes Division Solo Series has existed for over 30 years (going back to the original Central Division Solo Series) and has helped produce many National Champions. Run against the best competitors from other regions, at some of the best sites in the division.

This year there are 6 days of competition, over 4 weekends, with three weekends right here in our backyard (Grissom Air Base, Ft. Wayne Coliseum, and Kentucky Fairgrounds and Expo Center, Louisville, KY). The other event is at one of the premier sites in GLD; Wirtsmith Air Base, Oscoda, MI.

Each day counts as an event. You need to run three days of competition to qualify for yearend awards, and you count your 4 best finishes.

Details on each event can be found at the hosting region's website, or contact Ray Jason, at [rkj42@yahoo.com](mailto:rkj42@yahoo.com)

Come join the fun and competition!!
